26 February 2025

Dear Shareholder,

I enclose a Notice of the General Meeting (the "**Meeting**") of Adriatic Metals Plc (the "**Company**") to be held at 3 Hanover Square, London W1S 1HD, United Kingdom to be held on 14 March 2025 at 10:00am (London time) (9:00pm Australian Eastern Daylight Time). The formal Notice of Meeting is attached to this letter.

Notes on arrangements for the Meeting appear under "Explanatory Notes" on pages 7 to 11 of the Notice.

Meeting Arrangements

The Meeting will be conducted as an in-person meeting and not a hybrid Meeting. As we do not expect many Shareholders will attend the Meeting in person, we strongly encourage you to register your votes by proxy, ensuring that you appoint the Chairman of the Meeting as your proxy (since any other person may not be permitted to attend and cast your vote). Please see the Explanatory Memorandum for further details.

The Explanatory Memorandum accompanying this letter provides additional information on matters to be considered at the Meeting. The Explanatory Memorandum and the Proxy Form, form part of the Notice. Terms and abbreviations used in the Notice are defined in the Schedule to the Explanatory Memorandum.

Business of the Meeting and Board Recommendation

There are five Resolutions which Shareholders are asked to approve, all of which relate to the Placement announced by the Company on 17 February 2025. Resolutions 1, 2, 3 and 4 are proposed as ordinary resolutions. This means that for each of those Resolutions to be passed, more than half of the votes cast must be in favour of the Resolution. Resolution 5 is proposed as a special resolution. This means that for Resolution 5 to be passed, at least three-quarters of the votes cast at the Meeting must be in favour of the Resolution. Notes on the Resolutions appear in the Explanatory Memorandum on pages 16 to 22 of the Notice.

The Directors consider that all of the Resolutions to be considered at the Meeting are in the best interests of the Company and its members as a whole. The Directors unanimously recommend that you vote in

favour of all the proposed Resolutions, as they intend to do in respect of their own shareholdings, representing in aggregate approximately 0.57% of the Company's issued ordinary share capital.

Changes to the Register of Members after the relevant deadline shall be disregarded in determining the rights of any person to attend and vote at the Meeting.
2. Shareholders wishing to ask questions are invited to submit them not later than 6:00pm (London time) on 12 March 2025 by email to GM Corporate Development, Klara Kaczmarek, at klara.kaczmarek@adriaticmetals.com. The Directors will endeavour to answer key themes of these questions on the Company's website as soon as practical.
3. We will arrange for the legal requirements for the holding of the Meeting to be satisfied by the attendance of a Director and other Company officers, who will form a quorum and will ensure that the proxy votes of Shareholders are recorded. **We therefore strongly encourage you to vote by proxy, ensuring that you appoint the Chairman of the Meeting as your proxy (since any other person may not be permitted to attend and cast your vote).**

Casting your votes

4. To ensure that the voting preferences of all Shareholders are taken into account and in accordance with current recommended practice, the Company will conduct a poll vote on all Resolutions put to the Meeting.
5. If you would like to vote on the Resolutions being put to the Meeting but will not be attending the Meeting and would like to vote via proxy, please complete the Proxy Form accompanying this Notice and return it to the Company's Registrar, Computershare Investor Services Plc ("**Computershare**"), The Pavilions, Bridgwater Road, Bristol BS99 6ZY, United Kingdom as soon as possible. Please see paragraphs 9 to 31 for further information on how to appoint a proxy. Under the ASX Listing Rules and the ASX Settlement Operating Rules, the Company as an issuer of CDIs permits CDI Holders to attend any meeting of the holders of Shares. Please see paragraphs 20 to 29 for more information on how to vote your CDIs.
6. To be valid, the Proxy Form must be received by Computershare, no later than 10:00 am London time (9:00 pm Australian Eastern Daylight Time) on 12 March 2025. You can also submit your proxy vote online at www.investorcentre.co.uk/eproxy, where you will be asked to enter the Control Number, Shareholder Reference Number (SRN) and PIN shown on the Form of Proxy and agree to certain terms and conditions. CREST members may choose to use the CREST electronic proxy appointment service in accordance with the procedures set out in paragraphs 16 to 19 below.
7. If your Shares are held by a nominee service rather than in your own name, you should contact the provider of that service (in good time before the Meeting) about the process for appointing a proxy.
8. The results of the poll will be released to the market and published on the Company's website as soon as practicable after the conclusion of the Meeting.

Appointing a proxy

9. Shareholders are entitled to appoint a proxy of their choice to exercise all or any of their rights to attend, speak and vote on their behalf at the Meeting. A Shareholder may appoint more than one proxy in relation to the Meeting provided that each proxy is appointed to exercise the rights attaching to a different Share or Shares held by that Shareholder.
10. The Articles provide that if a member submits more than one valid proxy appointment in respect of the same Share, the appointment received last (regardless of its date or the date on which it is signed), before the latest time for the receipt of proxies, will take precedence. If it is not possible to determine the order of receipt, none of the forms will be treated as valid.
11. A vote indicated on the Proxy Form as "withheld" is not a vote in law, which means that the vote will not be counted in the proportion of votes "for" and "against" a Resolution.
12. Where a proxy has been appointed by a member, if such member does not give any instructions in relation to that Resolution, that member should note that their proxy will have authority to vote on the Resolution as he/she thinks fit.
13. Any power of attorney or any other authority under which the Proxy Form is signed (or a duly certified copy of such power or authority) must be included with the Proxy Form. In the case of a member which is a company, the Proxy Form should either be sealed by that company or signed by someone authorised to sign it.
14. A Proxy Form, which may be used to make such appointment and give proxy instructions, accompanies this Notice. If you do not have a Proxy Form and believe that you should have one, or if you require additional forms, please contact Computershare on 0370 702 0000 if calling from within the United Kingdom, or +44 (0) 370 702 0000 if calling from outside the United Kingdom. Lines are open between 9:00am and 5:00pm, Monday to Friday, excluding public holidays in England and Wales.
15. To be valid, Proxy Forms must be lodged by one of the following methods by 10:00am (London time) on 12 March 2025:
 - 15.1 in hard copy form by post to the Company's Registrar, Computershare Investor Services Plc, The Pavilions, Bridgwater Road, Bristol BS99 6ZY or online at www.investorcentre.co.uk/eproxy, as detailed on the Proxy Form; or
 - 15.2 in the case of CREST members or CREST personal members, by utilising the CREST electronic proxy appointment service in accordance with the procedures set out below.

CREST members

16. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by utilising the procedures described in the CREST Manual (available via www.euroclear.com/en/about/our-rules.html). CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
17. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & International Limited's specifications, and must contain the information required for such instruction, as described in the CREST Manual. The message,

regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by Computershare (ID: 3RA50) by 10.00 am (London time) on 12 March 2025. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST application host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

18. CREST members and, where applicable, their CREST sponsors, or voting service providers should note that Euroclear UK & International Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will apply in relation to the input of CREST proxy instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider(s), to procure that their CREST sponsor or voting service provider(s) take) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. CREST members and, where applicable, their CREST sponsors or voting system provider(s) are referred, in particular, to those sections of the CREST manual concerning practical limitations of the CREST system and timings.
19. The Company may treat an instruction as invalid in the circumstances set out in regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

29. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the Shareholder as to the exercise of voting rights.
30. However, the statement of the rights of Shareholders in relation to the appointment of proxies described above does not apply to Nominated Persons. The rights described in those paragraphs can only be exercised by Shareholders of the Company.

Explanatory Memorandum

1. Introduction

The Company announced on 18 February 2025 (17 February 2025 in the UK) a proposed capital raising seeking to raise proceeds of approximately US\$50.0 million (approx. AU\$80.0 million¹) by way of a placement of 20,512,821 Placement Securities to existing and new investors at the Offer Price, to be completed in two tranches as described in section 3 below.

The issue and allotment of the Tranche 1 Placement Securities, which occurred on 25 February 2025 was not conditional on shareholder approval and the Tranche 1 Placement Securities were issued utilising the Company's existing placement capacity under ASX Listing Rule 7.1.

The issue and allotment of the Tranche 2 Placement Securities is conditional, inter alia, upon the passing of the Placement Resolutions being proposed at the General Meeting to provide sufficient authority to enable the allotment of the Tranche 2 Placement Securities and disapply statutory pre-emption rights which would otherwise apply to the allotment of the Tranche 2 Placement Securities. Notice of the General Meeting, at which the Placement Resolutions will be proposed, accompanies this Explanatory Memorandum.

This Explanatory Memorandum has been prepared for the information of Shareholders in connection with the business to be conducted at the General Meeting of the Company to be held at 3 Hanover Square, London W1S 1HD, United Kingdom on 14 March 2025 at 10.00am (London time) (Meeting).

The Explanatory Memorandum forms part of the Notice which should be read in its entirety. The Explanatory Memorandum contains the terms and conditions on which the Resolutions will be voted.

The Explanatory Memorandum sets out information to assist Shareholders in deciding how to vote on the Resolutions.

Set out at the end of this Explanatory Memorandum is an expected timetable of principal events in relation to the Placement and the General Meeting, together with certain statistics relating to the Placement.

2. Reasons for the Placement and use of proceeds

As announced in the Company's Quarterly Activities Report published on 29 January 2025, the technical study carried out by Ausenco demonstrated the feasibility of increasing nameplate capacity at the Vares Processing Plant from 0.8Mtpa to 1.3Mtpa with a capital expenditure of approximately US\$25.0 million. This increase in plant throughput aligns with the Company's plans to boost mine production, following the expansion of the Company's Ore Reserve to

13.8Mt, as announced on 20 December 2023². Therefore, as part of the Placement, the Company has raised US\$25.0 million to fast-track expansion by securing critical long-lead items for milling and filtration circuits that will need to be added to the Vares Processing Plant. These orders will be required to be placed in H1 2025. Studies have also commenced at Rupice Mine to assess the additional infrastructure and costs required for expanding underground production. A plan for enhancing underground mine production is expected to be completed in 2025.

The Company plans to increase plant throughput to a rate of 1Mtpa in 2026 (a 25% increase on nameplate capacity) and to 1.3Mtpa in 2027 (a 63% increase on nameplate capacity). This increased capacity to 1.3Mtpa at the Vares Silver Operation paves the way for the Company to produce over 20Moz AgEq³ per annum, which would position the Vares Silver Operation among the largest primary-silver producers globally.

	Total	Proven + Probable	13.8	187	5.2	3.3	1.4	0.5	0.2

The Company has raised a further US\$25.0 million pursuant to the Placement for general working capital purposes, to support and derisk the final stages of ramp up of the Vares Processing Plant to commercial production, which is expected in Q1 2025, and to nameplate production of 0.8Mtpa, which is expected in H2 2025.

The proceeds of the Placement (before expenses), together with existing cash of US\$46.0 million (approx. A\$73.6 million)⁴ as at 27 January 2025, are therefore intended to be used as follows:

- (a) US\$25.0 million (approx. A\$40.0 million)⁵ for Vares Processing Plant expansion capital expenditure including securing critical long-lead items for milling and filtration circuits to support expansion in nameplate production capacity, and completing studies on the mine expansion; and
- (b) US\$25.0 million (approx. A\$40.0 million)⁶ to strengthen the Company's balance sheet and provide working capital as the Company advances towards commercial production, expected in Q1 2025, and nameplate production, expected in H2 2025.

If the Placement Resolutions are not passed at the Meeting, Tranche 2 of the Placement could not proceed and the Company would not receive the additional US\$23.0 million from the

² The Ore Reserve estimate for the Rupice deposit was announced in accordance with ASX Listing Rule 5.9 on 20 December 2023. The Company confirms that it is not aware of any new information or data that materially affects the information included in the previous announcement and that all material assumptions and technical parameters underpinning the estimate in the previous announcement continue to apply and have not materially changed.

³ 20Moz AgEq underpinned solely by Probable Ore Reserves. A silver equivalent grade (AgEq) has been calculated from individual silver, gold, zinc, lead, copper and antimony grades. This equivalent grade has been calculated and declared in accordance with Clause 50 of the JORC Code (2012) that it is the Company's opinion that all metals included in this metal equivalent calculation have reasonable potential to be recovered and sold, using the following parameters: \$25/oz Ag, \$2,000/oz Au, \$2,500/t Zn, \$2,000/t Pb, \$2,000/t Cu, \$2,000/t Sb. Metallurgical recoveries for by-product metals, based upon Adriatic test-work, are assumed as follows: 95% Ag, 60% Au, 82% Zn, 80% Pb, 83% Cu, 88% Sb. The silver equivalent formula, based upon the above commodity prices, exchange rate and recoveries, is thus: $AgEq = Ag(g/t) * 95\% + 31.1 * Zn(\%) * 82\% + 24.9 * Pb(\%) * 80\% + 80.0 * Au(g/t) * 60\% + 24.9 * Sb(\%) * 88\% + 24.9 * Cu(\%) * 83\%$.

Placement of the Tranche 2 Placement Securities. In such circumstance, the Company will allocate US\$25.0m of the proceeds of the first tranche of the Placement to fully finance the Vares Processing Plant expansion capital expenditure, and the balance to strengthen its balance sheet and working capital position. In this scenario, the Company would have a pro-forma cash balance of approximately US\$73.0m.

3. Details of the Placement

The Company currently has limited authority to issue the Placement Securities for cash on a non-pre-emptive basis. Accordingly, the Placement is being conducted in two tranches.

The first tranche of the Placement, to raise a total (before expenses) of approximately US\$27.0 million (approx. AU\$43.3 million) by the issue of 11,092,377 new CDIs (being the Tranche 1 Placement Securities) at the Offer Price, has been carried out within the Company's existing share allotment authorities.

The second tranche of the Placement, to raise a total (before expenses) of approximately US\$23.0 million (approx. AU\$36.7 million) by the issue of 9,420,444 new CDIs (being the Tranche 2 Placement Securities) at the Offer Price, is conditional upon (as set out further in section 4 below), inter alia, the passing of the Placement Resolutions to be put to Shareholders at the General Meeting.

The Offer Price represents a discount of approximately 3.7% to the last traded price on ASX of A\$4.05 on 17 February 2025 and a discount of approximately 7.3% to the 5-day volume weighted average price on the ASX on 17 February 2025.

As a result of the Placement, Shareholdings will be diluted:

- (a) by approximately 3.30% as a result of the issue of the Tranche 1 Placement Securities;
- (b) by approximately 2.73% as a result of the issue of the Tranche 2 Placement Securities; and
- (c) by approximately 5.95% as a result of the issue of all the Placement Securities.

The Placement Securities placed in the Placement at the Offer Price will represent in aggregate approximately 5.94% of the Enlarged Share Capital.

The Placement is not being underwritten. Members of the public are not eligible to take part in the Placement. No fractions of Placement Securities will be issued.

Although the Placement is being undertaken on a non-pre-emptive basis, the Company has sought to respect the principles of pre-emption as far as practicable by extending the offer to participate to a significant majority of institutional shareholders and, as far as practicable, allocating to existing shareholders at least up to what would be their pre-emptive entitlement. The Company has, along with its advisers, carefully considered the various possible offer structures and sought to balance the potential for dilution to non-participating shareholders with the benefits to shareholders as a whole of promoting deal certainty and familiarity of structure to the Company's shareholder base.

The Placement Securities, being new ordinary shares (and CDIs representing the new ordinary shares) will, when issued, be credited as fully paid and will rank *pari passu* in all respects with

the existing ordinary shares and CDIs of the Company and will on issue be free of all claims, liens, charges, encumbrances and equities.

Applications for the quotation of the New CDIs to the ASX will be made ("**Official Quotation**"). Official Quotation of the Tranche 1 New CDIs became effective on 25 February 2025. It is expected that Official Quotation of the Tranche 2 New CDIs, subject to the passing of the Placement Resolutions at the Meeting, will become effective on 20 March 2025.

Applications are also being made to the FCA for admission of the Placement Securities to the Equity Shares (Transition) Category of the Official List of the FCA and to the London Stock Exchange for admission to trading of the New Ordinary Shares on its main market for listed securities ("**UK Admission**"). UK Admission of the Tranche 1 New Ordinary Shares became effective at 8.00 a.m. on 25 February 2025 and dealings in the Tranche 1 New Ordinary Shares on the London Stock Exchange commenced at that time. It is expected that UK Admission of the Tranche 2 New Ordinary Shares, subject to the passing of the Placement Resolutions at the Meeting, will become effective at or around 8.00 a.m. on 20 March 2025 and that dealings in the Tranche 2 New Ordinary Shares on the London Stock Exchange will commence at that time.

4. Key terms of the Placement Agreement

On 18 February 2025, the Company entered into the Placement Agreement with the Joint Lead Managers. Pursuant to the terms and conditions of the Placement Agreement, the Joint Lead Managers have agreed severally, subject to certain conditions, to use their best endeavours to procure Placees for the Placement Securities. Each of the Joint Lead Manager's obligations are subject to certain conditions in the Placement Agreement.

In consideration for their services under the Placement Agreement, the Company has agreed to pay to the Joint Lead Managers a selling fee of 3% and a management fee of 2%, in each case of the aggregate gross proceeds of the Placement Securities subscribed by Placees in the Placement, payable to the Joint Lead Managers in proportions as agreed between the Company and the Joint Lead Managers.

- (c) the applications for the UK Admission of the Tranche 2 Placement Securities having been made by the Company by the times specified in the Placement Agreement.

A Joint Lead Manager may terminate the Placement Agreement in its entirety in certain circumstances prior to 5.00pm (AEDT) on the settlement date for the Tranche 2 Placement Securities, including, among other things, if:

- (d) any condition under the Placement Agreement becomes incapable of being satisfied by the required time(s) (if any), and such condition has not been waived as provided for pursuant to the terms of the Placement Agreement;
- (e) there has been a breach by the Company of any of the warranties, undertakings or covenants contained in or given pursuant to the Placement Agreement or any of the warranties contained in the Placement Agreement is not or has ceased to be, true, accurate and not misleading;

- (g) there shall have occurred a material adverse change in, or an event occurs which gives rise to, or is likely to give rise to, a material adverse change in the condition (financial or otherwise), assets, earnings, business, affairs, results of operations, management or prospects of the Company's group as a whole from that existing at the date of the Placement Agreement; and
- (h) in the opinion of any of the Joint Lead Managers there is an adverse change to, inter alia, the financial markets in Australia, the United States, Bosnia & Herzegovina, Serbia, Hong Kong, Singapore or any member state of the European Union from those existing as at the date of the Placement Agreement and a Joint Lead Manager considers the change have a material adverse effect on, inter alia, the success of the Placement.

Neither the Company nor the Joint Lead Managers may terminate the Placement Agreement following Official Quotation of the Tranche 2 Placement Securities.

The Company has given customary representations and warranties to the Joint Lead Managers, including as to its business, assets and financial information. The Company has given a customary capital markets indemnity in favour of the Joint Lead Managers and their related entities, and has also given certain customary undertakings.

5. Notes on the Resolutions

Ordinary Resolutions

5.1 Resolution 1 - Ratification of issue of Tranche 1 Placement Securities

General

The background to the Placement and the issue of the Tranche 1 Placement Securities is set out in sections 2 and 3 above.

On 25 February 2025 (AWST), the Company issued the Tranche 1 Placement Securities without prior Shareholder approval under ASX Listing Rule 7.1.

Resolution 1 seeks Shareholder approval pursuant to ASX Listing Rule 7.4 to ratify the issue of the Tranche 1 Placement Securities.

ASX Listing Rule 7.1 and 7.4

Broadly speaking, and subject to a number of exceptions, ASX Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The issue of the Tranche 1 Placement Securities does not fit within any of the exceptions to ASX Listing Rules 7.1 and, as it has not yet been approved by Shareholders, effectively uses up part of the Company's 15% placement capacity under ASX Listing Rule 7.1. This reduces the Company's capacity to issue further Equity Securities without Shareholder approval under those ASX Listing Rules for the 12-month period following the issue of the Tranche 1 Placement Securities.

ASX Listing Rule 7.4 provides an exception to ASX Listing Rule 7.1. It provides that where a company in a general meeting ratifies the previous issue of securities made pursuant to ASX Listing Rule 7.1 and provided that the previous issue did not breach ASX Listing Rule 7.1, those securities will be deemed to have been made with shareholder approval for the purposes of ASX Listing Rule 7.1.

The effect of Shareholders passing Resolution 1 will be to allow the Company to retain the flexibility to issue Equity Securities in the future up to the 15% placement capacity set out in ASX Listing Rule 7.1, without the requirement to obtain prior Shareholder approval.

If Resolution 1 is passed, 11,092,377 Tranche 1 Placement Securities will be excluded in calculating the Company's 15% limit in ASX Listing Rule 7.1, effectively increasing the number of Equity Securities it can issue without Shareholder approval over the 12-month period following the issue date.

If Resolution 1 is not passed, 11,092,377 Tranche 1 Placement Securities will continue to be included in the Company's 15% limit under ASX Listing Rule 7.1, effectively decreasing the number of Equity Securities the Company can issue or agree to issue without obtaining prior Shareholder approval, to the extent of 11,092,377 Equity Securities for the 12-month period following the issue of those Tranche 1 Placement Securities.

The Company confirms that ASX Listing Rule 7.1 was not breached at the time the Tranche 1 Placement Securities were agreed to be issued.

Specific Information required by ASX Listing Rule 7.5

Pursuant to and in accordance with ASX Listing Rule 7.5, the following information is provided in relation to the ratification of the issue of the Tranche 1 Placement Securities:

- (a) The Tranche 1 Placement Securities were issued to new and existing Shareholders and institutional investors, none of whom is a related party of the Company or a Material Investor. The participants in the Placement were identified through a bookbuild process, which involved the Company and the Joint Lead Managers seeking expressions of interest to participate in the Placement from new and existing contacts of the Company.
- (b) A total of 11,092,377 Tranche 1 Placement Securities were issued under ASX Listing Rule 7.1.
- (c) The Tranche 1 Placement Securities are fully paid and rank equally in all respects with

the Company's existing CDIs on issue.

- (d) The Tranche 1 Placement Securities were issued on 25 February 2025 at an issue price of A\$3.90 each.
- (e) The proceeds from the Placement have been or are intended to be used for the purposes detailed in section 2.
- (f) There are no other material terms to the agreement for the subscription of the Tranche 1 Placement Securities.
- (g) A voting exclusion statement is included in the Notice.

5.2 Resolution 2 – Approval of issue of Tranche 2 Placement Securities

General

The background to the Placement and the proposed issue of the Tranche 2 Placement Securities is set out in sections 2 and 3 above.

The proposed issue of the Tranche 2 Placement Securities does not fit within any of the exceptions to ASX Listing Rules 7.1 and exceeds the Company's 15% placement capacity under ASX Listing Rule 7.1.

Resolution 2, therefore seeks Shareholder approval pursuant to ASX Listing Rule 7.1 to approve the issue of the Tranche 2 Placement Securities.

ASX Listing Rule 7.1

A summary of ASX Listing Rule 7.1 is in section 5.1 above.

The effect of Shareholders passing Resolution 2 will be to allow the Company to issue the Tranche 2 Placement Securities and, in addition, to retain the flexibility to issue Equity Securities in the future up to the 15% placement set out in ASX Listing Rule 7.1, without the requirement to obtain prior Shareholder approval.

If Resolution 2 is passed, the Company will be able to proceed with the issue of the Tranche 2 Placement Securities.

If Resolution 2 is not passed, the Company will not be able to proceed with the issue of the Tranche 2 Placement Securities. In such circumstances, the Company will allocate US\$25.0m of the proceeds of the first tranche of the Placement to fully finance the Vares Processing Plant expansion capital expenditure, and the balance to strengthen its balance sheet and working capital position. In this scenario, the Company would have a pro-forma cash balance of approximately US\$73.0m.

- (b) A maximum of 9,420,444 Tranche 2 Placement Securities will be issued.
- (c) The Tranche 2 Placement Securities will be fully paid and rank equally in all respects with the Company's existing CDIs on issue.

5.4 Resolution 4 – Approval of allotment of Placement Securities

General

The Board may only allot Shares or grant rights to subscribe for, or convert any security into, Shares if authorised to do so by Shareholders. Resolution 4 seeks authority for the Board to allot, or grant rights to subscribe for, or convert securities into, a limited number of Shares in the Company. Section 551 of the Act requires such authority to be granted by the Company in a general meeting so that any allotment of Shares or grant of rights to subscribe for, or convert securities into, Shares is not exercised at the sole discretion of the Directors.

Resolution 4 authorises the Directors to allot equity securities up to an aggregate nominal amount of £125,810.03 (representing 9,420,444 new ordinary shares of 1.3355 pence each in the Company) specifically in connection with the Placement, as described out in sections 2 and 3 above, which will enable the Directors to issue the Tranche 2 Placement Securities.

The Directors have no present intention to exercise such authorities granted by such resolutions passed at the AGM, except in the ordinary course of business, including but not limited to, the allotment of equity securities in connection with the exercise of options or performance rights granted pursuant to any of Company's incentive plans which do not qualify as an employees' share scheme for the purposes of section 1166 of the Act.

5.5 Resolution 5 – Disapplication of statutory pre-emption rights

General

If a company proposes to allot ordinary shares or other equity securities other than in connection with an employee share scheme (including by way of sale of any shares which the company has purchased and has elected to hold as treasury shares) wholly for cash, it has a statutory

obligation (subject to certain exemptions) to offer those shares to holders of similar shares, in proportion to their existing holdings.

Resolution 5 seeks to disapply this statutory right of first refusal to a limited extent, so as to give the Directors the power to allot, pursuant to the power conferred by Resolution 4, in connection with the Placement, as described out in sections 2 and 3 above, to issue the Tranche 2 Placement Securities, without first offering them to existing Shareholders.

The authority conferred by Resolution 5 shall expire three (3) months from the date of passing the Resolution and cannot be used otherwise than in connection with the Placement.

Resolution 5 is not a substitution for, and is in addition to, the authorities granted to disapply statutory pre-emption rights under the resolutions passed by Shareholders at the AGM.

The Directors have no present intention to exercise such authorities granted by the resolutions passed at the AGM, except in the ordinary course of business, including but not limited to, the allotment of securities in connection with the exercise of options or performance rights granted pursuant to any of Company's incentive plans which do not qualify as an employees' share scheme for the purposes of section 1166 of the Act.
